Coach's Corner

I am sitting in the press box on a beautiful August morning (72 degrees, zero humidity—pre-season weather was never like that when you played, I bet), watching 114 players, 16 coaches and 8 managers, as we prepare to carry on the tradition of excellence that you, the football alumni, have established at Garnet Valley. From the outstanding teams of the 1970's through the Central League Champions of the 2000's, Garnet Valley Football has been a team of distinction in Delaware County for more than 40 years. As I write this, the first of what I hope to be many Alumni Newsletter columns, we are in our 4th day of the pre-season, and have gotten off to a great start (no 250's yet). The players are working hard, making sure to maximize the opportunities we have as we head into the 2012 season, a season where we want to defend our Central League title and continue our long runs into the state playoffs. We will scrimmage Cardinal O'Hara on Saturday morning, and move into camp on Sunday night, August 19th.

As many of you know, the support for our football program is fantastic. Last year, when we played on the Friday after Thanksgiving, the loyal GV following that traveled to Council Rock was incredible. I know a number of you made up that crowd, and we can't thank you enough for your continued interest in our program. The alumni association is looking to come up with ways to involve you guys more directly in our program. We've talked of a mentoring program, and establishing a GV Football Hall of Fame, among other things.

Any ideas that you have are more than welcomed—I would like to establish a clear connection between players past and players present. They would benefit tremendously from interacting with you, and I can't think of a better way to continue to improve what we do.

The more recent alumni know that we base our entire program around the principles of selflessness, hard work and character. We talk about "Do What You're Supposed to Do!", "If It Is To Be, It's Up To Me!" and, from Coach Caia, "Oneness". We are continually striving to develop better people, better students and better players, and constantly keeping in mind that we are representatives not only of ourselves, but of our teammates, our coaches, our school, our alumni, our community and our families. If you have any ideas that you think will be beneficial, please do not hesitate to contact me (riccim@garnetvalleyschools.com). I also welcome any messages/letters that I can share with the team.

Again, I thank you for your continued interest in Garnet Valley Football. We are proud of all of the things we do with our program and proud to do our part to carry on what teams and players from years past have built. 15 days until Unionville!

- Coach Mike Ricci, August 16, 2012

2011 Season Highlights

Game 1 vs. Unionville

Kyle Keyser's 88 total yards and Justin Pyle's 103 rushing yards punched in scores for the Jags in the second half of this game. Jordyn Bennett had 35 rushing yards, add touchdowns on a fumble recovery and a run and you got the end tally. The Jags pushed Unionville to the final buzzer but ended up with a loss.

Game 2 vs. Conestoga

Jags recovered in the second week with 447 yards in total offense. Justin Pyle checked in with 143 yards on 18 carries while Ryan Corkery threw for 154 yards and ran 54 yards operating a no huddle attack. Kyle Keyser notched 31 and 30 yard touchdown catches from him in the second quarter. Keyser's second score on fourth and 14 was a leaping catch between two defenders while Dan Herbster and Matt Donaghue stood out on the offensive line. By the fourth quarter, the Jags put the game out of reach.

Game 3 at Upper Darby

The Jags won't forget this game anytime soon. On the opening drive after four consecutive penalties, the Jags found themselves in a first and forty situation.

Jordyn Bennett scored a touchdown on a 40 yard run in the first quarter then Kyle Keyser ran an end around for 29 yards to score. Justin Pyle took a screen pass from Ryan Corkery and scampered 69 yards late in the first half all while amassing 120 yards in infractions. However, an interception caught by Ryan Van Horn in the fourth quarter led to a second score by Bennett. A fumble in the next series was scooped up by Andrew Thomas who ran for 28 yards for another score...ballgame over, Jags win.

Game 4 vs. Strath Haven

Jordyn Bennett darted 22 yards early in the game. Justin Pyle rushed for 80 yards on 15 carries and Ryan Corkery finished with 75 rushing yards. Kyle Keyser caught 4 passes for 90 yards and gained 40 on the ground then Josh Gilbert made a big play late in the fourth quarter by disrupting a pass attempt causing an incomplection and turnover on downs. With that play, Gilbert sealed the Jags third straight win.

Game 5 vs. Harriton

Trailing by as many as 17 points twice, the Jags clawed back and exploded in the second half scoring two special teams touchdowns and posting 49 unanswered points in this record setting central league game. The 76-38 combination of 114 points was the second highest scoring game in Delaware County History and a Garnet Valley school record for points. The Jags 76 points were also the second most points scored by a Delaware County team. And it was all done in a flash.

Game 6 at Ridley

Jags took control right from the start of this game. It was evident that the Jags were ready to play four quarters of solid football. Ryan Corkery threw a strike to Rockne O’Leary to put the Jags ahead and found Jules Raucci wide open. Raucci darted 74 yards to the end zone. Justin Pyle finished with 84 yards on 24 carries while Corkery ran the ball 22 times for 98 yards and it all happened because of the spectacular display by the Jag’s defense.

Game 7 vs. Penncrest

Strop’s reunion was an exciting time during his return to the school where he had a vested interest for more than a decade. Justin Pyle added 2 first half scoring runs and ended up finishing with 17 carries for 130 yards and 3 touchdowns. Jordyn Bennett (107 yards rushing, 33 receiving), and Ryan Corkery (109 yards passing, 39 rushing) all ran for touchdowns and special teamer Vincent Razzano hopped on a loose ball on the kickoff after Bennett’s score, which set up Corkery’s 4-yard trip to the end zone. With only 5 minutes left, the Jags had a comfortable lead of 22 points. And that’s how it all ended.

Game 8 at Springfield

Taking sole possession of first place sure was sweet but sure wasn’t easy!

Scoring 21 second-quarter points in the second half was the only way the Jags could win this one. Ryan Corkery’s 18 yard scramble brought 7 of those points. One of the biggest plays of the season brings up the next 7 when Jordyn Bennett broke a tackle to make a whole lot of something out of nothing with a 56 yard run to the end zone. Ryan Van Horn’s pick off sealed the win.

Game 9 vs. Lower Merion

The Jags clinched the Central League title in this game while Justin Pyle had touchdown runs of 14 and 21 yards, Ryan Corkery hit on an 8-yard scoring pass to Jules Raucci and Jordyn Bennett had a 14-yard scoring run. It added up to 34 second quarter points to win the game.

Game 10 at Haverford

A touchdown that never happened changed everything when Joseph Taulane stripped the ball loose before the ball could reach the end zone and darted 100 yards to the opposite end of the field. Ryan Corkery was 7 for 12 through the air for 82 yards. Justin Pyle went 139 yards on 24 rushes. A blocked punt by Kyle Keyser resulted in a safety and Justin Pyle scored the first of two touchdowns which brought the Jags to their winning score.

Playoff Recap

District One, Class AAAA first-round – As the playoffs got underway, it was a game where denying the big game was crucial and limiting penalties were a must and that's just what the Jags did! Defense, Defense, Defense!

Andrew Thomas registered a 26-yard interception return for a touchdown just eight seconds into the second half. From that point forward it was all GV. While Andrew Thomas and Joe Taulane each had one interception, Mitch Rose checked in with a pair of interceptions to help the Jags advance to the next round.

District One, Class AAAA quarter final round – This game was indeed one of the ultimate sports clichés: A total team effort.

While Justin Pyle churned out 156 yards and three touchdowns on 33 carries, Jordyn Bennett handled the outside running duties by breaking free for 192 yards on 10 carries, including touchdown runs of 59, 4, and 42 yards. Ryan Corkery complemented his backfield mates with 151 passing yards and 70 rushing yards and Kyle Keyser checked in with 84 yards from the scrimmage. But that's not all folks! Hauling in a 32-yard scoring strike from Ryan Corkery with 16 seconds remaining in the game, Andrew DePietro's grab was the head-shaking performance that gave this nail biting 52-48 win to the Jags!

District One, Class AAAA semi-final round – The Garnet Valley Jaguars close the books for the 2011 season, but not before learning that all of the students, teachers, families, friends and spectators who came out to watch any of the games were in awe of the spectacular performances they witnessed this season. What a ride!

2011 All Delco Football

“Player of the Year”

JUSTIN PYLE – Taking the majority of handoffs, Justin Pyle led the County in almost every majority offensive category. Justin rushed for a total of 1,745 yards with 21 touchdowns. He developed a jaguar mentality and never shied away from contact.

“Offense”

RYAN CORKERY – The signal caller for the County's most productive offense did it through the air and on the ground this season. He threw for 1,407 and 14 touchdowns. Ryan had a total of 845 rushing yards and was seventh best amongst all players in leading the Jaguars to a Central League title.

JOHN GUEST – John worked perfectly in the no-huddle hurry-up offense. He was the leader of a unit that bulldozed the path for the Jaguars to amass an average of 407 yards per game, including a shade under 300 rushing yards per contest. John was a big reason why the Jags had one of the greatest single season offense years in terms of total yardage in program history.

KYLE KEYSER – The only player in the County to claim the honor of being a running back/wide receiver who found the end zone five different ways. Kyle did most of his damage as a receiver with 23 catches for 436 yards and five scores. He also ran for 340 yards and two scored, received a fumble for a touchdown and scored two special teams touchdowns – an 87 yard kickoff and 80 yard punt.

“Defense”

ANDREW THOMAS The heart of the defense and one of the toughest linemen to contain in 2011. Andrew was an unblockable runaway train at nose guard scooping up a fumble and returning to score 28 yards later. Andrew also scored on a 26 yard interception return, during the first round of the District One Class AAAA playoffs.
